

Liam is hooked watching the game and ~~just~~ drags Darren into his place as the wolf says there's an NHL game on. Darren surprises Liam by sitting very close, tails touching as if he doesn't notice. The wolf promises him the 'test' gear they have at the risk - just so Liam can get started playing. Darren falls asleep on Liam's sofa, snoring, and the other creeps to bed, trying hard to paw off with the wolf at the forefront of his mind.

Damon is thrilled to have Liam on the team and he attends his first practice, paying for a test run, borrows old team kit. Chasing practice but his skating skill is unimpaired. One friend from his group comes by and spots Liam, leaving before Liam can say anything to him.

I have not been to the hospital since
 I have been home. I have been
 very busy with my work, and
 I have not had time to go.
 I will go as soon as I can.
 I am very sorry to hear
 that you are not well.
 I hope you will get better
 soon. I will be there for you.
 I love you very much.
 I will be there for you.

Meet up with Liam's friends at a geeky coffee shop. Neil tries to bully Liam into dropping the team and mocks his personal situation. Hits Liam's associates but he's backed up by another guy from the team who shuts the bully up. First chance Liam has to meet someone with vastly ~~at~~ varying interests. This is an ~~at~~ older loner guy and his name is Timon (Lion King jokes). They hit it off and arrange to skate sometime soon.

I am sorry to hear that you have
 not been getting better. I hope
 the doctor will be able to
 help you and that you will
 be able to go back to school
 soon. I am sure that you will
 be able to do it. I am sure
 that you will be able to do it.
 I am sure that you will be able
 to do it. I am sure that you
 will be able to do it. I am sure
 that you will be able to do it.

Cut to game 1, first of
the season. Liam's never get
the better of him but Sam
tries to shut him down, oddly
joined by Tomon. The wolf
and Lion battle at each other
but it's game time. Liam isn't
supposed to play much (which)
but another player gets injured so
he's in ~~no~~ more. Shows off skill
until a rusty ~~stray~~ brother hits
back, checks ~~hard~~ (illegal) and gives
him a concussion. He's out of
the game (bench) and they lose,
by 1 point. Devastated.

Things go downhill. Liam doesn't have the money to play / pay and can't afford gear to last. He struggles in practice, losing his focus and lashing out at Darren. Darren uses the loss to sharpen his drive. Go to Liam's flat after practice, drinking (extra practice Fr/Sat night?). End up spending the night together uncovering that Darren is gay. Liam is bi but has mostly been with women. Erotica, 18+. Relationship development.
