First time

Struggle to gay

There and there

There just broke up with boyfriend
and goes out drinking - gets
wasted.

Student, university club

Dinner with a friend, gets drunk,
wild and reckless with drink

Ends up in friend's single bed
in hall bedroom, being married.
There takes a while to get
hard but the friend is gentle,
massage cream using the horse

one,

Wakes up the next day in
friend's bed; friend sleeping on
the floor. Wonders how sleep,
hungers but happy.
